ANNOUNCEMENT

Marin County Public Health will be requiring face coverings when interacting with others who are not members of your household in public and private spaces starting on Wednesday April 22nd. Here is a link to the order: <https://coronavirus.marinhhs.org/marin-public-health-order-face-coverings-41720>

Specifically as directed in the order, members of the public must wear face coverings while inside of or waiting in line to enter essential businesses and other businesses or facilities engaged in minimum basic operations, providing essential infrastructure, and providing essential government functions.

Whereas courthouses have been deemed essential by the County of Marin's Shelter-in-Place Order issued on March 16th, and by Governor Newsom's Executive Order issued on March 19th, wearing face coverings will be required in the Clerk's Offices and Court Floor starting on April 22nd.
