Responsibilities include preparation for -- and attendance at -- monthly board meetings to discuss and oversee Law Library matters and committee work on special projects as needed. Current matters before the Board of Trustees include addressing funding challenges, updating the Law Library's technological resources, restoring and developing the publications collection, and increasing awareness of the County Law Library as a legal resource for the entire community through engaging educational program offerings.

The Law Library, located at 20 North San Pedro Road in San Rafael, provides access to legal information through a variety of media, research assistance, and technologies. In each California county, a Law Library Board of Trustees is established and governed by California Business and Professions Code Section 6300-6307.
